

# Hittin' a Wall

Skid Row

Peel me like dead skin  
Hate to the bone  
I drag you through my field of thorns  
And drop you like a stone

Hold me under water  
Kick me to the curb  
All my wolves are at your door  
Take me at my word

Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Look at me and you're seeing a monster  
You ain't seen it all

If you're almighty  
Holier than thou  
Seems we've got a discrepancy  
We should solve it now

I've built a bigger mountain  
Now you want it gone  
If you expect to beat me down  
Brother bring it on

Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Look at me and you're seeing a monster  
You ain't seen it all

Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Look at me and you're seeing a monster  
You ain't seen it all

You want to wrestle with my morals  
You think there's something I can learn  
You toss me out like an abortion  
And I'm the one that fucking burns?

Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Look at me and you're seeing a monster  
You ain't seen it all

Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Look at me and you're seeing a monster  
You ain't seen it all

Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall - yeah!  
Hittin' a wall, we're hittin' a wall

Ahh!!!
