

## In a Darkened Room

Skid Row

In a darkened room  
Beyond the reach of God's faith  
Lies the wounded,  
The shattered remains of love betrayed  
And the innocence  
Of a child is bought and sold  
In the name of the damned  
The rage of the angels left silent and cold

Forgive me please for I know not what I do  
How can I keep inside the hurt I know is true

Tell me when the kiss  
Of love becomes a lie  
That bears the scar of sin too deep  
To hide behind this fear  
Of running unto you  
Please let there be light  
In a darkened room

All the precious times  
Have been put to rest again  
And the smile of the dawn  
Brings tainted lust singing my requiem  
Can I face the day  
When I'm tortured in my trust  
And watch it crystalize  
While my salvation it crumbles to dust

Why can't I steer the ship before it hits the storm  
I've fallen to the sea but still I swim for shore

Tell me when the kiss  
Of love becomes a lie  
That bears the scar of sin too deep  
To hide behind this fear  
Of running unto you  
Please let there be light  
In a darkened room
