

# Riot Act

Skid Row

I never wanted to be President  
'Cause it's nothin' but an  
ego trip, yeah  
I didn't want your education  
'Cause it's notin' but a pile of shit

You bore me to death, so shut up  
for God's sake

Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin'  
down my back  
So stop readin' me the riot act

I couldn't listen to a word you said  
This goin' nowhere thing  
is wearin' thin  
When your sex, your drugs, and  
your valid vic'  
Is just the spit I wipe off my chin

I'd rather go nowhere than not know  
where it's at

Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin'  
down my back  
So stop readin' me the riot act

I never wanted to be President  
'Cause it's nothin' but an  
ego trip, yeah  
I didn't want your education  
'Cause it's notin' but a pile of shit

You bore me to death, so shut up  
for God's sake

Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin'  
down my back  
So stop readin' me  
Stop readin' me the riot act  
While my brains are still intact  
You say it's raining, but you're pissin'  
down my back  
So stop readin' me

The riot act  
The riot act  
The riot act  
The riot act
