

## Alien Youth

Skillet

Worldwide Jesus domination  
Love conquers all  
Rise like a chosen generation  
There's no stopping it all  
Come on freaks let's go  
Come on freaks let's go  
Get all the freaks and let's go

R: We're taking over the world  
We're the Alien Youth  
We're coming for your souls  
We're gonna, we're gonna, we're gonna  
Shake the world  
We're the Alien Youth  
We're taking over, over, over  
Alien Youth

Come on freaks let's go  
Come on freaks let's go

Do you believe that the aliens have landed  
We're everywhere you go  
Infiltrate at the break of revolution  
You can't stop the revival  
And we're not gonna leave this world alone  
And we're not gonna leave it

R:

Come on freaks let's go  
Get all the freaks and let's go  
Come on freaks let's go  
Get all the freaks and let's go

And we're not gonna leave this world alone  
And we're not gonna leave it  
And we're not gonna leave this world alone  
And we're not gonna leave
