

Alien Youth

Skillet

Worldwide Jesus domination
Love conquers all
Rise like a chosen generation
There's no stopping it all
Come on freaks let's go
Come on freaks let's go
Get all the freaks and let's go

R: We're taking over the world
We're the Alien Youth
We're coming for your souls
We're gonna, we're gonna, we're gonna
Shake the world
We're the Alien Youth
We're taking over, over, over
Alien Youth

Come on freaks let's go
Come on freaks let's go

Do you believe that the aliens have landed
We're everywhere you go
Infiltrate at the break of revolution
You can't stop the revival
And we're not gonna leave this world alone
And we're not gonna leave it

R:

Come on freaks let's go
Get all the freaks and let's go
Come on freaks let's go
Get all the freaks and let's go

And we're not gonna leave this world alone
And we're not gonna leave it
And we're not gonna leave this world alone
And we're not gonna leave
