Awake and Alive

I'm at war with the world and they Try to pull me into the dark I struggle to find my faith As I'm slippin' from your arms

It's getting harder to stay awake And my strength is fading fast You breathe into me at last

R: I'm awake I'm alive Now I know what I believe inside Now it's my time I'll do what I want 'cause this is my life here right, right now I'll stand my ground and never back down I know what I believe inside I'm awake and I'm alive

I'm at war with the world cause I Ain't never gonna sell my soul I've already made up my mind No matter what I can't be bought or sold

When my faith is getting weak And I feel like giving in You breathe into me again

R:

Waking up waking up

In the dark I can feel you in my sleep In your arms I feel you breathe into me Forever hold this heart that I will give to you Forever I will live for you

R:

Waking up waking up Waking up waking up Waking up waking up.... Skillet
