

Come On to the Future

Skillet

Come on, Come on, Come on to the future
Come all, Come all the way
Come on, Come on, Come on to the future
The future is arranged

Can you see it
You know the future's in my sight
Invisible kingdom
Collides with space and time
The universe has been ordered, yeah

Stepping over
Stepping in the age to come
Can you feel it
Unstoppable power
The universe has been ordered, yeah

Hold tight, hold on
The future's on its way
Run hard, run strong
The future's on its way
It can't stop, it can't stop
Here it comes
Straight for you, head on
Here it comes
