(Legendary) Oh!  
(Legendary)

Oh!  
Oh oh oh, oh oh oh, oh oh oh  
Oh!  
Oh oh oh, oh oh oh, oh oh oh

My heart bleeds adrenaline  
The fire I breathe is where I live

(Say my name) Incredible  
(Say my name) An animal  
One life to live,  
I'll never give up, I'll never give in

Some people wanna turn and run  
But the strong rise under the gun

Top, to the top  
Ain't never gonna stop  
To the top, to the top  
Ain't never gonna stop

Never gonna keep me down  
(never keep me)  
Still the one that's standing down  
(never falling)  
Destiny is callin' me, go down in history  
Everyday I'll fight to be  
Legendary

Oh!  
Oh oh oh, oh oh oh, oh oh oh  
Oh!  
Oh oh oh, oh oh oh  
Legendary

Fly high or will I fall?  
Legends made when faith is strong

(Say my name) No time to plead  
(Say my name) I'm conquering  
While I'm alive,  
I push through the pain,  
I'll run for the prize

Some people wanna turn and run  
But the strong rise under the gun

Top, to the top  
Ain't never gonna stop  
To the top, to the top  
Ain't never gonna stop

Never gonna keep me down  
(never keep me)

Still the one that's standing down  
(never falling)  
Destiny is callin' me, go down in history  
Everyday I'll fight to be  
Legendary

Everyday I'll fight to be

Oh!  
Oh oh oh, oh oh oh  
Legendary

Wings are made to fly, made to fly  
Fears are born to die, born to die  
Pushing through the pain, through the pain  
Pushing through, breaking through  
Whatever it takes, what I gotta do  
Giving my all, giving all that I got  
Never will stop 'till I get to the top

Top, to the top  
Ain't never gonna stop  
To the top, to the top  
Ain't never gonna stop

Never gonna keep me down  
(never keep me)  
Still the one that's standing down  
(never falling)  
Destiny is callin' me, go down in history  
Everyday I'll fight to be
