

# Not Gonna Die

Skillet

Death surrounds  
My heartbeat's slowing down  
I won't take this world's abuse  
I won't give up or refuse  
This is how it feels when you're bent and broken  
This is how it feels when your dignity's stolen  
When everything you love is leaving  
You hold on to what you believe in

The last thing I heard was you whispering goodbye  
And then I heard you flatline

No, not gonna die tonight  
We've gotta stand and fight forever  
(Don't close your eyes)  
No, not gonna die tonight  
We gotta fight for us together  
No, we're not gonna die tonight

Break their hold  
Because I won't be controlled  
The can't keep their chains on me  
When the truth has set me free  
This is how it feels when you take your life back  
This is how it feels when you finally fight back  
When life pushes me I push harder  
What doesn't kill you makes you stronger

The last thing I heard is you whispering goodbye  
And then I heard you flatline

No, not gonna die tonight  
We've gotta stand and fight forever  
(Don't close your eyes)  
No, not gonna die tonight  
We gotta fight for us together  
No, we're not gonna die tonight

Don't you give up on me  
You're everything I need  
This is how it feels when you take your life back  
This is how it feels when you fight back

No, not gonna die tonight  
We've gotta stand and fight forever  
(Don't close your eyes)  
No, not gonna die tonight  
We gotta fight for us together  
No, we're not gonna die tonight  
No, we're not gonna die tonight

Not gonna die  
(Not gonna die)  
Not gonna die  
(Not gonna die)  
Not gonna die tonight
