

Sometimes

Skillet

Sometimes when I lie, I know you're on to me
Sometimes I don't mind how hateful that I can be
Sometimes I don't try to make you happy
I don't know why I do the things I do to you but

Sometimes I don't wanna be better
Sometimes I can't be put back together
Sometimes I find it hard to believe
There's someone else who could be
Just as messed up as me

Sometimes don't deny that everything is wrong
Sometimes rather die than to admit it's my fault
Sometimes when you cry, I just don't care at all
I don't know why I do the things I do to you but

Sometimes I don't wanna be better
Sometimes I can't be put back together
Sometimes I find it hard to believe
There's someone else who could be
Just as messed up as me

I want someone to hurt like the way I hurt
It's sick but it makes me feel better

Sometimes I can't hide the demons that I face
Sometimes don't deny
I'm sometimes sinner, sometimes saint

Sometimes I don't wanna be better
Sometimes I can't be put back together
Sometimes I find it hard to believe
There's someone else who could be
Just as messed up as me, just as messed up as me
