

# Victorious

Skillet

I hear them talk to me  
But they're not listening  
Their words are kerosene  
They don't know who I am  
They'd never understand  
What it's like to be me

I don't wanna be here  
So stuck inside  
Tell me how long have I been here  
I'm losing track of time

In all this loneliness  
In all this emptiness  
Been stuck inside this room like a prison sentence  
I'm not gonna stay  
Tell me there's a way

High above it all (High above)  
Victorious victorious  
Far too long I've crawled (Far too long)  
In hopelessness I'm over this  
Don't give up on me (Don't give up on me)  
Tell me you believe (Tell me you believe)  
I can face it all (Face it all)  
Victorious victorious

Oh-oh, oh-oh, oh-oh-oh  
Oh-oh, oh-oh, oh-oh-oh

Can't change this overnight  
Though heaven knows I've tried  
Here I go again  
I need a savior now  
Someone to break me out  
Who's been the place I've been

Don't wanna be forgotten  
When I'm dead and gone  
I just want to be the one who  
Got up and came back strong

High above it all (High above)  
Victorious victorious  
Far too long I've crawled (Far too long)  
In hopelessness I'm over this  
Don't give up on me (Don't give up on me)  
Tell me you believe (Tell me you believe)  
I can face it all (Face it all)  
Victorious victorious

Oh-oh, oh-oh, oh-oh-oh  
Oh-oh, oh-oh, oh-oh-oh

Help me  
Cause I'm falling  
When I can't sleep, but I'm holding on

Can't face this night alone

In all this loneliness  
In all this emptiness  
Been stuck inside this room like a prison sentence  
I'm not gonna stay  
Tell me there's a way

High above it all (High above)  
Victorious victorious  
Far too long I've crawled (Far too long)  
In hopelessness I'm over this  
Don't give up on me (Don't give up on me)  
Tell me you believe (Tell me you believe)  
I can face it all (Face it all)  
Victorious victorious

Oh-oh, oh-oh, oh-oh-oh  
Oh-oh, oh-oh, oh-oh-oh  
Oh-oh, oh-oh, oh-oh-oh
