

You're Powerful

Skillet

R: You're powerful
You're unshakeable
You're powerful
You're unshakeable

You wreck me
You rule me
You turn me upside down (ya know)
Your glory
Pervades me
You conquer without a sound

R:

You shake me
You break me
You make me whole again (ya know)
Your nature
Unchanging
All fails, but You remain

R:

And when the ground begins to shake
And when my courage starts to fade
I let my fears go

When You
Breathe
The lifeless rise up
Invade me
With violence
And heal me

R: (2x)

You're mighty
You're the ultimate powerful
