

Yours to Hold

Skillet

I see you standing here
But you're so far away
Starving for your attention
You don't even know my name

You're going through so much
But I know that I could be the one to hold you

R: Every single day
I find it hard to say
I could be yours alone
You will see someday
That all along the way
I was yours to hold
I was yours to hold

I see you walking by
Your hair always hiding your face
I wonder why you've been hurting
I wish I had some way to say
You're going through so much
Don't you know that I will be the one to hold you

R:

I'm stretching but you're just out of reach
You should know
I'm ready when you're ready for me
And I'm waiting for the right time
For the day I catch your eye
To let you know
That I'm yours to hold

R:

I'm stretching but you're just out of reach
I'm ready when you're ready for me
