## **Excellerate**

Would you like to see my flesh in pain? Cross the line, stain my arms in flames Would you like to try and take the pain? Self indulgency

Crossing the line Excellerate Building your tolerance And bearing all the extremes

Excellerate...

I take all the tic and the needle within, the addict within...

Would you like to see my flesh in pain? Cross the line, stain my arms in flames Would you like to try and take the pain? Self indulgency

Crossing the line The threshold of pain Building your tolerance and bearing all the extremes

Excellerate...

I take all the tic and the needle within, the addict within...

Would you like to cross my flesh in pain? Cross the line to excellerate Would you like to try and take the pain? Cross the line to excellerate

Crossing the line My threshold of pain Building your tolerance And bearing all the extremes Skinlab
