## **One Of Us**

You're one of us We're one of you Coming together through native tongue Respect for me, Respect for you How do we even know where we survive Nothing can seperate now that your one of us Believe in me, Believe in you All that shines through leaving me scarred for life Now that your one of us nothing can seperate Decieving me, Decieving you All comes around when our planets collide Nothing can seperate now that your one odf us Now that your one of us Believing me, Scaring me What do you even exspect from us? It's killing me, it's killing you All this technology takin our lives All thie technology feeding outr families You're one of us, We're one with you Now that you're one of us You can seperate You can seperate us now
