

## Human Disease (S.K.U.M.M.)

**Skinny Puppy**

whatever painted part taught deeply enclosed in mother earth li  
fe born  
addict breathe angel whatever paint it up so closer to farther  
apart  
meat seeking missiles consuming rain forest infested veins the  
river flow urban needle inject carcinogen chemicals relieve the  
stress slows  
consumer rotting sight no taste odorless clear seeping water po  
isoning  
all producing nothing intelligent to cause disease human breed  
in self  
perpetuating whatever close at hand finger cramp virtuoso close  
t problem  
epileptic machines shudder shock who is over who is on top malf  
ormed  
earth born shake all is a disease biped walk so straight earth  
can be so  
giving as it can be irrate what if to burn up and out with illi  
ng over  
doubt sight no taste odorless fda recommends to take daily allo  
wance  
of them 26 unknown carcinogens 26 unknown cancer causing suppl  
ements  
infested chemicals fda virtuoso closet problem whatever to plot  
or build  
to self destruct the so called lesser beast exhibits harmony wa  
lk straight  
biped relate walking disease green is the grass of survival  
feeding the cows that they dine on all is a disease human disea  
se survival
