

Love In Vein

Skinny Puppy

Dreams, not waking, creeping down inside the quiet urns, listen
to the
sound, crashing down into it, the needle is warm in the arm, ha
te burns
illusion, pain pain pain The rest is straight from Ogre himself
walk out in
the street see the vacant eyes dreaming of the dream unbroken e
conomic
repression plays a part i wonder what im going throughpain
....wasted
away island body on a darkened see to avoid chattering taped ta
pe taping
human muttering warning flicker lights the candle burnsinside..
...a pain
that never dies crawls up the back and waits for the lies tall
climb edges
edges exhausts no night climbing higher crawls wicked wi
re cut throat
explodes singing of the the vein no desire great fate.....human
heart
explodes attacking pointed sticks in sores the arms wheres the
warning
warning shot the lights out wheres the warningneedle i
s warm in the
arm travels to the heart human heart flags the blooda
halo of fire
scarring made of flame the flower flavor find its worth calls t
he tripping
strings supporting the game of lifethe pain..... broken
chair that
horror tray of fear wheres the warning warning killing me
..aking human
heart except my patience is giving up on me.....river of trac
k mark
volcano upon the arm open sores allowing ants tocrawl in and i
wonder if i
missed the warning missed the warning casting away varnish crac
k ants
symbolize decay missed the warning missed the vein reaching out
crying for
where is the warning heart exploding human heart attack.
