Neuwerld

Skinny Puppy

neuwerld order pissing on a river on the way a long tomorrow rancid waters picking up the remnants of a flower in all of us exists the touch of deadly warming global and trust we must distrust the owners of the new world order what of the hour of the whole look what you've been missing feed upon the fingers chew the knuckle to the bone dig inside the crack beside the pain that is a home live a distant second skin whatever else that can fed upon the remnants of a life that's never had he took a living thing and made a copy of it an image put the finish on a life still being made the secret twist invading mists the desert once a forest can't see the forest for the death within the tree inside the crack beside the pain that is a home
