

## Shadow Cast

**Skinny Puppy**

magnified fear stares back the mirror reflect  
depravity the shadow cast a feeling of ill harmony so crisp the  
famines  
itch a withering shoreline tears of grey interspersed with with  
ered fruit  
her gloomy banquet of cheer heaven what a sweet pain douse the  
ecstasy the imagination drained away perpetual reverie abruptly  
fade  
heavens soothing some say tremulous hand jabs from behind stick  
s  
in the back for all to see organs spilled leak of will void of  
secrecy  
genuine tears delights the taste pain salts the bitter brew ric  
h in guilt  
to absorb the filth she worships a point of view scarce the tho  
usand  
remnants black charred flesh a victim screaming through heaven  
or  
hell what's the difference one to believe in one to live in car  
eful  
balancing what's hell to heavens only flame
