

## Tear or Beat

Skinny Puppy

live within four walls scrape insect infested dreams  
cancer cornered worn accepting misery as a way of dealing withi  
n  
this complex fantasy which way or how to say is this ordinary t  
error force  
the rain boiling over lifeless flame fear pays a healthy wage l  
eaves its  
trail in well planned pain crave whisper fall ride corrodes neg  
lected  
dream scalding of organs slowly rotting in the time to understa  
nd a body  
degeneration reluctant soul search within a dying civilation fi  
ll  
cracks with plaster hides all unbalanced things a shade to pale  
of late features sunken in if all were to dissolve not to inter  
pret literally  
a mindless mat that minds itself void of expressing anything th  
at  
need be in order to believe then to substantiate by falling ung  
raciously  
at the brother's feet used solely to defeat back around it glea  
ms time  
again terror nerves on edge no where safe to populate whose sid  
e to liberate  
genocide applied with subtlety terror shadowed dream no chance  
ending callous reign fear not rise up to stay the beast no movi  
ng  
frozen are the meek
