cursed involves fading inquest incorporating your life and dreams that certain aspect scene these feelings still the same certain of this stupid game causing no one pain the very same story again helter scare they don't care even if they pray the fattest cat the pussy slaps awaken take away hey face actor what's that shit you say telling is this sentiment fuck you go away

HEY destruction watch me go away Flavor destruction desperate insane HEY destruction watch me go away HEY destruction no one here today

harm no thing unless attacked then don't look back tearing it l imb from limb gently bend them bones again respond rip out the broken parts the speaker is now broken respond thirst improves fading oblivion incorporating everything that bleeds is what this thing needs to believe this broken part of me is too dark a park to be much darker than he dreamed left within a scream funny eyes watch them die laugh at when they fade these simple things will bring me in to relish the last breath you breathe

the cake is left out on the floor to trap the rats that took the bait and ate the cake in sensing the bottom and the end one only looks for a way back to the first place. what a place what a race what a confusion a nation with a fear of a fear of a fear. what's left of a bowl , broken, on the floor, alter dogs have grown angry and stoned watching the hours, burning towers could it have bee n flip the bait turn the cake, tempt the fATE and be
