

# How Long Blues

Skip James

How long  
Baby, how long  
That evenin' train been gone?  
So long, honey, so long

I got to the station  
When she left town  
I'm blue an disgusted  
I didn't know where to be bound  
Howlin', how long  
Baby, how long  
Honey, how

How long, baby  
That evenin' train been gone?  
But so long  
Baby, so long  
Honey, so long

How long  
Baby, how  
Am I to be  
Treated wrong?  
But in so long  
Honey, so long  
Honey, so

How long  
Baby, how  
Why must I keep my  
Watch in pawn?  
But so long  
Baby, so long  
Honey, so

How long  
Baby, how  
How long, to sing this  
But honey  
Honey, so long  
And baby, so
