

All Dies

Skold

All Dies

All I can hear is my blood flow
Why I'm still here, I really don't know
The road to Hell is paved with good intentions
But nothing here can come to my salvation
In the dark, there's an answer
Fade to black, and now remember
If I should fall from grace with God
It wouldn't mean a fuck at all
I traveled down that road before

All... Dies

I never thought things could better
I never thought it would matter
If you could shut your mouth enough to listen
Then maybe you could find out what you're missin'
In the dark, there's an answer
Fade to black, and now remember
If I should fall from grace with God
It wouldn't mean a fuck at all
I traveled down that road before

All... Dies

If you could see what I have seen
Stripped down to an animal
If you could feel what I have felt
Living here is terminal
If you could see what I have seen
Stripped down to an animal
If you could feel what I have felt
Living here is terminal
If I should fall from grace with God
It wouldn't mean a fuck at all
I traveled down that road before

All... Dies

If I should fall from grace with God
It wouldn't mean a fuck at all
I traveled down that road before

All...Dies

All...Dies

All...Dies
