

Burn

Skold

From dust to blood.
Who wants to live forever?
From blood to dust.
Eternity is now or never.
I've been waiting for a long time, baby!
I've been waiting for the world to...
Burn the churches!
Burn the banks!
Burn the precincts!
Burn city hall!
Burn the court houses!
Burn the schools!
Burn the prisons!
Burn the shopping malls!
Stone after stone, you build a road to nowhere
Mile after mile, the future isn't going anywhere.
I've been waiting such a long time, baby!
I've been waiting for the world to...
Burn the churches!
Burn the banks!
Burn the precincts!
Burn city hall!
Burn the court houses!
Burn the schools!
Burn the prisons!
Burn the shopping malls!
Disrupting the orderly routine of life.
Institution.
Disrupting the orderly routine of life.
Institution.
Burn! Burn! Mother fucker,
burn! Burn! Burn! Mother fucker,
burn! Burn! Burn! Mother fucker,
burn! Burn! Burn! Mother fucker, burn!
Burn the churches!
Burn the banks!
Burn the precincts!
Burn city hall!
Burn the court houses!
Burn the schools!
Burn the prisons!
Burn the shopping malls!
