

I'm just another motherfucker  
I'm just another piece of trash  
I'm just another fuckin' sucker  
So blow it out your ass  
I don't need you, you don't need me

I'm just another fuckin' loser  
Got the short end of the stick  
And if you sit any closer  
You'll be sitting on my dick  
I don't need you, you don't need me  
Get outta my face and leave me be

Why don't I tell you that I'm sorry  
I'm only in it for the cash  
Why don't I tell you I'm a junkie  
You're only here to see me crash  
I don't need you, you don't need me

Fuck off
