

# Backstreet Kids

Skrewdriver

Backstreet kids, no future in sight  
Backstreet kids, can't see no light  
Backstreet kids, no money too  
Backstreet kids, well what you gonna do?

Chorus:

'Cos you're the backstreet kids  
Street rats, alright!

Backstreet kids, they got no aid  
Backstreet kids, they got no say  
Backstreet kids, don't want to be  
Backstreet kids, be in anarchy

(Repeat Chorus)

Backstreet kids, got nothin' to do  
Backstreet kids, got nothin' new  
Backstreet kids, just drink and fight  
Backstreet kids, well that's alright

(Repeat Chorus)
