

Commit To Rock

Skull Fist

Time running out but that's ok
That sacred place I'll find my way
Do you know that feeling?
I'll make it through I ain't gonna run
I spoke the words with no help from anyone
Couldn't shake that feeling

Don't let go
Won't let go
oooh yeaaaah

An Axe attack I'm on the right track
A speed demon can't go back yeah
Do you know that feeling?
I'm fully charged Gonna explode
I had a power overload yeah
Can you feel that feeling?

Don't let go
Won't let go
ooooh yeah

You gotta commit to rock (4x)

And if you leave and say that I'll cry
I know my love for rock will never die
Couldn't shake that feeling

Don't let go
Won't let got
oooh yeah

You gotta commit to rock (6x)
