

Glorious Pop Song

Skunk Anansie

How can your face be so angry
When all your doing is looking at me
You chastise me for my behavior
It's gonna last too long

And what am I now but your reaction
I'm all those memories
You tried to steal
This war will never be over
Gonna last too long

You're still a fucker
You're still a fucker
You're still a fucker, to me

You know, lucifer cried
When you looked at me
And the heaven's rained down
On your acid face
What's left now that it's over
Shouldn't last too long

Na, na, na, na, na, na, naan

It feels so real
And it feels so real
But it's all the same
It is all the same, what a life (2x)

And I believe I belong nowhere
Maybe there are winners
But I'm always used
Everything's hard to discover
When it last too long
