

In the Back Room

Skunk Anansie

She smells sublime
Of sex and wine
Just thought a problem
'Cause you're easy

He takes a sip
To trip the twist
Your fingers itching
'Cause you're needing

Ooh Sheela
She is in the backroom
Ooh Dino
He's in the backroom
Yeah
I'll take there

Her world is rare
Her bitter is rare
You gotta get it nice and
Freaky, yeah

Ooh Sheela
She is in the backroom
Ooh Dino
He's in the backroom
Yeah
I'll take there

I'll take you up
I'll take you there
I'll take you up
To the backroom

Ooh Sheela
She is in the backroom
Ooh Dino
He's in the backroom
Yeah
I'll take there
