

## Giants In The Ocean

Sky Eats Airplane

Boundless water in an eternity frame of mind  
And all that's lost is our time  
Peaks break through open sky that grasps for land below

Mountains climb and topple on themselves.  
Steel breaks wave and sounds lull us to sleep  
All things drift quietly away

Forget your cell phone man, it won't work here (2x)  
It wont work here (3x)

My cameras zoom - it captures all that might embrace it  
Unsteadied ice creates the wake in deeper places  
Oh darling I can't bare the thought of seperation  
The years will pass and we'll forget just how this made us

There is substance in this silence  
The proof of what surrounds us.  
Photographs are a mirror image  
Look deep and see yourself within them.

Seasickness, ancient forests, and water creatures  
Keep us from thinking about home
