

Obsession

Sky Ferreira

Woah

Woah

Listen up I'm gonna' tell you bit about myself
I got a situation, ain't concerning nobody else
Just you and what you can do for me
(Ooh)

I had the life of ordinary, I spat it out
Now my condition's kind of scary, I need you now
Not love but I need something else

So here's my confession
This time, this time,
Don't just want you to love me
I want to be your obsession
This time, this time,
Want my name on the Marquee

I want you (To want me)
I want you (To need me)
I want you
To hear my confession

I want to be your Obsession

(Whoa)

I'll fixate you, till you never let me go
So I can feed your addiction in the stereo,
I could be, just your type of high
(I can give what you like)

Your talkin' bout' the narcissism that's in Hollywood,
I'm lovin' myself, but what I need's for you to feel good (let go)
Let the music just take control

So here's my confession
This time, this time

Don't just want you to love me
I want to be your obsession
This time, this time
Want my name on the Marquee (Whoa)

I want you (To want me)
I want you (To need me)
I want you
To hear my confession

I want to be your Obsession
I want to be your Obsession

Whoa
Whoa
Whoa

Ain't nothing wrong with OCD
Long as it's for me, long as it's for me

Ain't nothing wrong with OCD
Long as it's for me, long as it's for me

Here's my confession
This time, this time
Don't just want you to love me
I want to be your obsession
This time, this time
Want my name on the Marquee (Whoa)

I want you (To want me)
I want you (To need me)
I want you
To hear my confession

I want to be your Obsession
I want to be your Obsession
I want to be your Obsession

Oooh
