

A Little Opera Goes A Long Way

Sky Sailing

I'll save you
An echo from the hall
And I'll paint you
A dreamscape on your bedroom wall

[Chorus:]
Pretend you're not alone
Like you are center stage on broadway
'Cause when you're on your own
A little opera goes a long way

I'll meet you
Where the page proclaims the end
And I'll make do
With the fractions my reactions bend

[Chorus]

I'll capsize
This highrise
And weld a cablecar
Then I'll drive down
To some southwestern town
And end up where you are

[Chorus]

I'll reset
Your silhouette
And be your parasol
So hold on to
Your flourescent view
And if you slip and fall
I will catch you
