

Baby Doll Gone Wrong

Skye Sweetnam

Na na na
Na na na

Na na na
Na na na

I am a new breed of doll
Psycho baby doll gone wrong
Toolbelt with a lollipop
Curling iron, Kalashnikov (an AK-47)

I am a new breed of doll
Fighting for a brave new world
Gas mask and a magic wand
Bulldozer and tutu on

Load up, load up
March to the future
Lipstick, I might kill you or kiss ya
Baby doll gone wrong

She cries real tears
In her bed tonight
Press the button right
She will glow so bright
She bleeds real blood
Cut her with a knife
She'll fight for her life
But it's you who dies
Surprise, surprise

Catch me
Can you still believe
My name
And can't you see this
Baby doll gone wrong

I am a new breed of doll
Crash helmet and halo on
Jackhammer and my apron
Throw my head back, sing a song

I am a new breed of doll
Mace you with my aerosol
Tinkerbell and S&M
Bumper car that has a brain

Load up, load up
March to the future
Lipstick, I might kill you or kiss ya
Baby doll gone wrong

She cries real tears
In her bed tonight
Press the button right
She will glow so bright
And she bleeds real blood

Cut her with a knife
She'll fight for her life
But it's you who dies
Surprise, surprise

In her bed tonight
Press the button right
She will glow so bright
And she bleeds real blood
Cut her with a knife
She'll fight for her life
But it's you who dies
Surprise, surprise

Baby doll
I'll kick the boys and make them fall
Baby doll
I'll kick the boys and make them fall

Sugar and razor blade
Acid pink lemonade
That's how baby dolls are made
We misbehave
We misbehave

Load up, load up
March to the future
Lipstick, I might kill you or kiss ya
Baby doll gone wrong

She cries real tears
In her bed tonight
Press the button right
She will glow so bright
She bleeds real blood
Cut her with a knife
She'll fight for her life
But it's you who dies
Surprise, surprise

In her bed tonight
Press the button right
She will glow so bright
She cries real tears
Cut her with a knife
She'll fight for her life
But it's you who dies
