

Boomerang

Skye Sweetnam

Uhuh, uhuh, yeah

My baby hit me with a sling shot,
A boomerang went bang.
I love all the things that he's got,
And he loves me the same.
But it's hard to find someone,
Who sends you what you give.
There are people out there who,
Who don't know how to live.

What goes around comes around,
Careful who you hurt,
If you toss it around it flys like dirt,
It's gonna land on your face someday.
(Yeah, yeah, yeah, yeah)

Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
You're my boomarang.
Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
You're my boomarang.

Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
You're my boomarang.
Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
Bang-a-bang-a-bang,
You're my boomarang.

(Oh)

I see you walking with your head down (Head down),
This place can make you strive.
I know the feeling when you're pushed around,
And messed up in the mind.
But don't let it get to you,
Life's what you perceive.
And all the things that get you through,
Are easy to achieve.

A little smile, a little love, can bounce into your
heart,
Giving you the perfect place to start,
And I've got some to give away.
(Yeah, yeah, yeah, yeah)

Bang-a-bang-a-bang (Oh),
Bang-a-bang-a-bang (Oh),
Bang-a-bang-a-bang,
You're my boomarang.

Growing mad at you (La da da da).
I will be returning,
I will be earning all of your love like yeah, yeah.
