

# I Don't Care

Skye Sweetnam

Wrap me up so superficial  
Tied up nicely with a bow  
(Don't I look pretty)  
Doesn't bark - bites really hard  
(Superficial)  
They'll make your mark  
Cover up the scar  
(Superficial)

What's wrong with me  
What's wrong with me  
What's wrong with me - you say

I say nothing  
I see nothing  
I was meant to be this way

Punishment must suit the crime  
I'm wasting all your precious time  
But I don't care  
I just don't care

Screamin' out for your attention  
Ignoring every single word  
(Will I ever be heard)

A bitter taste  
I can't erase  
(Your attention)  
I'm fighting for  
A hopeless case  
(Your attention)

What's wrong with me  
What's wrong with me  
What's wrong with me - you say

I say nothing  
I see nothing  
I was meant to be this way

Punishment must suit the crime  
I'm wasting all your precious time  
But I don't care  
I just don't care  
I just don't care

As the world tilts  
Milk is spilt  
But I'm not gonna cry  
No use fighting gravity  
So I'm not gonna try

What's wrong with me  
What's wrong with me  
What's wrong with me - you say

I say nothing  
I see nothing  
I was meant to be this way

Punishment must suit the crime  
I'm wasting all your precious time  
But I don't care  
I just don't care what's wrong with me  
What's wrong with me  
What's wrong with me - you say

I say nothing  
I see nothing  
I was meant to be this way

Punishment must suit the crime  
I'm wasting all your precious time  
But I don't care  
I just don't care  
I just don't care  
(I just don't care)
