

Me Against The World

Skye Sweetnam

Whooo, here we go, ya here we go!

Im just a girl trying to have fun, not much to do, just soaking
up the sun.

Born to be creative, hands on and wild,

Yet not being absorbitive.

So it's me against the world, and im doing great!

SO not gonna stop to wait

Im on my own, and doing just fine, my whole world is looking so
divine.

Being creative, doing my own stuff, just havin' fun, never in a
rush!

So here i am having some fun, and still looking out for number
one.

I like to loud, i don't blend in with the croud.

So pump it up, make it good. this is your change your feeling g
ood.

Im on my own, and doing just fine, my whole world is looking so
divine.

Being creative, doing my own stuff, just havin' fun, never in a
rush!

So here i am having some fun, and still looking out for number
one.
