

# Music Is My Boyfriend

Skye Sweetnam

Bang, boom, the beat  
My baby is the bang, the boom, the beat  
Bang, boom, the beat  
My baby is the bang, the boom, the beat  
Bang, boom, the beat  
My baby is the bang, the boom, the beat

My boyfriend is music  
My boyfriend is music  
Yeah, music is my boyfriend  
He never takes the pressure off [x2]

At night on my pillow  
The beat says hello  
He knows I'm gonna follow  
My headphones are on-a  
His low end is thumping  
Just me and him bumpin'  
The walls they are watchin'  
I'm turning red blushing  
You know that

I don't need no silly boys  
I just need my boyfriend  
I don't need no silly boys  
I just need my boyfriend  
Don't you know  
Don't you know that

My boyfriend is bang, the boom, the beat  
He's beatin' down the door to get to me  
Yeah music is the shock, the shake, the shit  
The needle in the groove, the grind, the grit  
My boyfriend is music

My boyfriend is music  
My boyfriend is music  
Yeah, music is my boyfriend  
He never takes the pressure off [x2]

Get up to go shower  
I'm dancing for hours  
He knows the way I like it  
He knows just how I want it  
You see my hips swaying  
The moment's delaying  
It's inside my body  
My boyfriends a hottie  
You know that

I don't need no silly boys  
I just need my boyfriend  
I don't need no silly boys  
I just need my boyfriend  
Don't you know  
Don't you know that

My boyfriend is bang, the boom, the beat  
He's beatin' down the door to get to me  
Yeah music is the shock, the shake, the shit  
The needle in the groove, the grind, the grit  
My boyfriend is music

He's making me lose it  
I'll sing along lalalalala  
My boyfriend is music  
He's making me lose it  
I'll sing along lalalalala  
Lalalalala  
I'll sing along lalalala  
My boyfriend is music  
He's making me lose it  
I'll sing along lalalala  
lalalalala

Bang, the boom the beat  
He's beatin' down the door to get to me  
You know that he's the shock, the shake, the shit  
The needle in the groove, the grind, the grit

My boyfriend is bang, the boom, the beat  
He's beatin' down the door to get to me  
Yeah music is the shock, the shake, the shit  
The needle in the groove, the grind, the grit  
My boyfriend is grit  
My boyfriend is grit  
My boyfriend is music
