

# Shot To Pieces

Skye Sweetnam

I sit  
Biting  
On the  
End of my pen  
Chewing  
It up  
Just like  
It was your head

I'm running away from here...  
Shot to pieces, shot to pieces  
Have nothing to say from here...  
Shot to pieces, shot to pieces  
Going my own way from here...  
Shot to pieces, shot to pieces  
Just Leave me alone - LEAVE ME ALONE (3x)

Forgive  
Forget  
What you  
Did to me  
I got to  
Get free  
Before  
I go crazy

I'm running away from here...  
Shot to pieces, shot to pieces  
Have nothing to say from here...  
Shot to pieces, shot to pieces  
Going my own way from here...  
Shot to pieces, shot to pieces  
Just Leave me alone - LEAVE ME ALONE (3x)

I'm running away from here  
Going my own way from here

I'm running away from here...  
Shot to pieces, shot to pieces  
Have nothing to say from here...  
Shot to pieces, shot to pieces  
Going my own way from here...  
Shot to pieces, shot to pieces  
Just Leave me alone - LEAVE ME ALONE (3x)
