## **Smoke And Mirrors**

Skye Sweetnam

For someone so young and naive Hard to know what to believe Still I thought I tried for a while Turning round and giving up is not my style On my own on my own way

Bottled up is where my fears go, my fears go I will never show my fear They'll tear me up until my tears show, my tears show Smoke and mirrors

You must try hard, don't give in Keep it up and you win Don't let them know they get to you Put on a brave face and you'll get through On your own, on your own way

Bottled up is where your fears go, your fears go You will never show your fear They'll tear you up until your tears show, your tears show Smoke and mirrors

This journey of ours never ends We will always pretend Fighting not to let them win And they're falling into our illusion On our own on our own way

Bottled up is where out fears go, our fears go We will never show our fear They'll tear us up until our tears show, our tears show Smoke and mirrors Its about smoke and mirrors
