Split Personality

Skye Sweetnam

I'd like you to meet The other side of me Gotta getcha, gotta getcha, gotta getcha When it's time to rock She's a celebrity Gotta getcha, gotta getcha, gotta getcha I got you, I got you And now she's got me She drowns me out When I shout I'm so overpowered I cannot hide From the opposite side When she takes me over Flip the switch Makes me split into insanity Gotta getcha, gotta getcha, gotta getcha Out of control Shocking like electricity Gotta getcha, gotta getcha, gotta getcha I got you, I got you And now she's got me She drowns me out When I shout I'm so overpowered I cannot hide From the opposite side When she takes me over Let's co-exist What's wrong with this What's wrong with this What's wrong with this She drowns me out When I shout I'm so overpowered I cannot hide From the opposite side When she takes me over When she takes me over I cannot hide From the opposite side When she takes me over
