

# Wild World

Skye Sweetnam

Lalalala...  
Lalalala...  
Lalalala...

Now that I've lost everything to you  
You say, you want to start something new  
And it's breaking my heart you're are leavin'  
Baby, I'm grieving

But if you want to leave  
Then take good care  
I hope you have a lot of nice things to wear  
But then a lot of nice things to matter where

Oh baby, baby it's a wild world (na na na na na)  
It's hard to get by just upon smile  
Oh baby, baby it's a wild world (na na na na na)  
And I'll always remember you like a child (girl)

You know I've seen a lot of what the world can do  
And it's breaking my heart in two  
Because I never want to see you a sad girl  
Don't be a bad girl

But if you want to leave then take good care  
I hope you make a lot of nice friends out there  
Just remember there's a lot of bad and beware

Oh baby, baby it's a wild world (na na na na na)  
It's hard to get by just upon smile  
Oh baby, baby it's a wild world (na na na na na)  
And I'll always remember you like a child (girl)

Lalalalalala...  
Baby, I love you

But if you want to leave  
Then take good care  
I hope you meet a lot of nice friends out there  
But just remember theres a lot of bad and beware

Oh baby, baby it's a wild world (na na na na na)  
It's hard to get by just upon smile  
Oh baby, baby it's a wild world (na na na na na)  
And I'll always remember you like a child (girl)
