

Almost Killed Me

Skye

Oh no not I!
I will not cry today!
I won't be found
Dead on the ground a year from yesterday

I'm not on the floor
Locked behind the door
Not me!
I'm not in my bed
Pillow on my head
With a razor blade
For the mess you made
Crazy!
It almost killed me but

I'm still alive
I'm looking up at the sun
Never gonna hide never gonna run from no one
Na na na na na, na na na na na na

Oh no not you!
I thought I had erased you from my brain!
I must remove the memory of you time and time again
When you're on the floor
Locked behind the door
Think of me, baby!
When you're in your bed
Pillow on your head
With a razor blade
It's the mess you made
You'll see!
It almost killed me but

I'm still alive
I'm looking up at the sun
Never gonna hide never gonna run from no one
Na na na na na, na na na na na na

You're lying on the tracks of a railway
Trying to make me see it from a different view
Well, you always were delusional
Idiot! You did it on the wrong day
'cause the railway strike's on the whole day through
I hate to have to tell ya, but you'll be
Still alive
Looking up at the sun

I'm still alive
I'm looking up at the sun
Never gonna hide never gonna run from no one
Na na na na na, na na na na na na
