

Not Broken

Skye

On and on, hold on
Not broken in two; not you!
Like the seed, you grow
Under it all
Your roots take hold

Smooth out the creases
Then you'll see

And when you fall down in between them all
Here you are whole, not broken

On and on, hold on!
Not broken - just loose at the seams
Oh, no no! don't let go!
Just listen

Goodness increases
You will see

And when you fall down in between them all
Here you are whole, not broken
Leave it behind - all of the pain inside
Here you will be, not broken

Through the crowd patchwork souls move closer, closer
And when you fall down in between them all
Here you are whole, not broken

Leave it behind - all of the pain inside
Here you will be, not broken

You will see
You will see
