

# Final Warning

Skylar Grey

Someone's gonna get hurt  
Na-na-na-na, na-na, na-na-na-na  
Someone's gonna get hurt  
Na-na-na-na, na-na, na-na-na-na  
And it's not gonna be me

Good morning gorgeous  
I drove your truck in the lake last night  
Hope she was worth it  
Don't worry, I slept just fine

You keep throwing punches but you won't win this fight  
You're just fucking yourself when you don't read the signs  
I'm going to the kitchen, coming back with a knife  
Cause I've had enough this time

This is your final warning  
There's a dark cloud overhead  
This is your final warning  
Just remember what I said  
Someone's gonna get hurt  
Na-na-na-na, na-na, na-na-na-na  
Someone's gonna get hurt  
Na-na-na-na  
And it's not gonna be me

Good afternoon dear  
How does the rope feel around your neck?  
Just one more error  
Could be a fatal step

You keep throwing punches but you won't win this fight  
You're just fucking yourself when you don't read the signs  
I'm going to the kitchen, coming back with a knife  
Cause I've had enough this time

This is your final warning  
There's a dark cloud overhead  
This is your final warning  
Just remember what I said  
Someone's gonna get hurt  
Na-na-na-na, na-na, na-na-na-na  
Someone's gonna get hurt  
Na-na-na-na  
And it's not gonna be me

Cause you're the one thing  
You are, you are the one thing  
Cause you're the one thing  
You are, you are

This is your final warning  
There's a dark cloud overhead  
This is your final warning  
Just remember what I said  
Someone's gonna get hurt  
Na-na-na-na, na-na, na-na-na-na

Someone's gonna get hurt  
Na-na-na-na  
And it's not gonna be me

Cause you're the one thing  
You are, you are the one thing  
Cause you're the one thing  
You are, you are the one thing
