```
Drunk in the woods
Up in space
And wards away from the day
Don't wanna feel anything
But music in my veins
All I wanna do is jump, jump, jump
All I wanna do is jump, jump, jump
All I wanna do is jump, jump, jump
(No fear I'm floating)
All I wanna do is jump, jump, jump
(No fear I'm floating)
High on the night
Fly away
Lost in the echos and pace
Don't wanna feel any pain
Let all my wounds be erased
All I wanna do is jump, jump, jump
All I wanna do is jump, jump, jump
All I wanna do is jump, jump, jump
(No fear I'm floating)
All I wanna do is jump, jump, jump
(No fear I'm floating)
All I wanna do is jump, jump, jump
All I wanna do is jump, jump, jump
All I wanna do is jump, jump, jump
(No fear I'm floating)
All I wanna do is jump, jump, jump
(No fear I'm floating)
No fear I'm floating
No fear I'm floating
```
