

It's Up To You

Skyline

you know we rule, playing so true
respect all of you, take you all through
make you feel good, that's what we do
relax right now, this one's brand new
you got to groove, like your mind blew
that's right for sure, don't be da fool
you know our way and we know your's too
it's time to enjoy da flava your choose

it's up to you
hold it in your hands
