

Angelina

Slade

I don't wanna do you no harm
But sometimes I feel the weight of the world
It's so heavy and it's bringing me down
And I need you, I need you, girl

Come little Angelina
I don't wanna do you no harm
Take me where the grass is greener
Take me where the sea is calm
All I want is you
Take me in your arms and give me love

(Hoo shoo shoo come)
(Hoo shoo shoo come)
(Hoo shoo shoo come)
(Hoo shoo shoo come)
All I want is you
Take me in your arms and give me love

Angelina, Angelina, love me, love me
Angelina, Angelina, love me, wanna love you

Come little Angelina
Don't want that you hurt me
Take me where the air is cleaner
Take me where the wind blows free
All I want is you
Take me in your arms and give me love
Give me love Give me love

(Hoo shoo shoo come)
Give me love Give me love
(Hoo shoo shoo come)
Need your love
Want your love
(Hoo shoo shoo come)
(Hoo shoo shoo come)
Hey, All I want is you
Take me in your arms and give me love
I need your love, need your love
(Hoo shoo shoo come)
(Hoo shoo shoo come)
Every day and every now
(Hoo shoo shoo come)
Want your love, want your love
(Hoo shoo shoo come)
Hey, all I want is you
Take me in your arms and give me love
(Hoo shoo shoo come)...
