

# C'mon C'mon

Slade

You can take up the lead, if you're feelin' the need,  
de-la-lee-li  
There's a thousand behind with peculiar minds, de-la-lee-li  
We got no need to worry, got no need to hurry  
Certain to win, certain to win  
If you feed for the speed, you can keep up the lead,  
de-la-lee-li

Chorus

C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, take time for fun  
C'mon, c'mon, take time for fun

We can go on an' on, 'til our energy's gone, de-la-lee-li  
Don't go actin' the fool, just keep everythin' cool,  
de-la-lee-li  
We got no need to worry, got no need to hurry  
Certain to win, certain to win  
If the end is in sight, it's the end of the fight, de-la-lee-li

Chorus

C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, take time for fun  
C'mon, c'mon, take time for fun

Now the feelin' has passed, it has all bin a gas, de-la-lee-li  
It's-a always up hill for a natural thrill, de-la-lee-li  
We got no need to worry, got no need to hurry  
Certain to win, certain to win  
When you reach a-the peak, there's a-no need to speak,  
de-la-lee-li

Chorus

C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, take time for fun  
C'mon, c'mon, take time for fun

C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon  
C'mon, c'mon, c'mon, c'mon
