

Don't Waste Your Time (Back Seat Star)

Slade

Don't waste your time honey - don't waste your time
You're gettin' caught up on a merry go round and I know you like the feelin'
Goin' up goin' down

Don't waste your time honey - find a new line
'Come up and see me sometime' just ain't your style
And I know there used to be a time when you'd run a mile

And you been ridin' in them rock and roll cars
You wanna be a back seat star
And 'cos you ain't got into trouble so far
So you think you got it, you think you got it

Made on page three honey, for all to see
Your finer points are gonna make someone's day
And I know a place to advertise the goods on display

And you been ridin' in them rock and roll cars
You wanna be a back seat star
And 'cos you ain't got into trouble so far
So you think you got it, you think you got it made

Remember you're lost without your love
Remember the cost without your love
Remember you're lost without your love

Ah honey honey
Ah honey honey
Yay

Don't spoil your fun, honey honey
A and don't jump the gun.
A tricky dicky situation arrives and
I know that all you're gonna get's a great big surprise

And you been ridin' in them rock and roll cars
You wanna be a back seat star
And 'cos you ain't got into trouble so far
So you think you got it, you think you got it made

And you been ridin' in them rock and roll cars
You wanna be a back seat star
And 'cos you ain't got into trouble so far
So you think you got it, you think you got it made

Don't waste your time - find a new line.
Don't jump the gun - honey honey - don't spoil your fun.
Don't waste your time - Ooooo, find a new line.
Don't waste your time honey, don't waste your time.
Don't waste your time.
