

Get On Up

Slade

I don't wanna get rough babe
Don't wanna knock you out a your shoes
Make me feel like a man if you can
You know you ain't got nothing to lose

[Chorus]

So get on up, get on up, so get on up, up ,up,
Make it feel really tight
So get on up, get on up, so get on up, up, up,
make me feel alright

I don't wanna get mean babe
So let me start finding out you tick
Make me feel like a beautiful dream
Exploding like a dynamite stick -oh

[Chorus Repeat]

I don't wanna get though babe
So let me take just a pecl at your neck
Make me feel like a lovin' machine
I'm ready now so what the heck

[Chorus Repeat]

Oh - so get on up, up, up,
Make sure that you're feelin' alright
Make sure you can feel real tight
Make it feel alright
I'm gonna feel alright
I'm gonna feel alright
I'm gonna feel alright
You make it feel alright.
